Fire is active by nature and tends to spread. When the soul is under the action of the Eucharist, it is forced to cry out; "O my God, what shall I do in return for so much love?" And Jesus answers; "Thou hast to resemble Me, to live for Me, and to live of Me." The transformation will be easy; when it is a matter of love; one does not walk; one runs and flies. -- St. Peter Julian Emyard</i></p>
