OLD BUSINESS:

Every one was in agreement that the Spring Gathering went very well. Virgie T. thanked Adelle I. for the beautiful job on the table decorations. Also thanks to Joanne J. for her skill in organizing the event. Joan R. was at Mass in Longville & reported that the ladies love coming to our events. They all especially like being served. Kay H. commented that they will want to come here more often. Thanks to Virgie T. for preparing Father Fruths meal. Karen P. talked about Fathers talk about making people feel welcome when they are new to a church community. She felt we are already living that here, as she felt very welcomed when she came here. Ken L. made a video of our event which can be viewed on the Parish web site under the CCW link. For those who don't have computer Linda L. said that Ken L. could probably bring a laptop so people can view the video. He could also produce some pictures for our album. Bev E. also has pictures of the event.

Proceeds from the raffle went to St. Francis School in Brainerd and the Mass collection will go to Japan.

Jean W. talked about the Moto Mission as she is now a representative from Sacred Heart along with Clarence R. and Ken L. This is not a CCW event; both St. Agnes & Sacred Heart will be hosting fund raising events. June 11th at St. Agnes will be having their fundraising after the 5:30 Mass and on June 18th Sacred Heart will be having theirs after the 4:00 Mass. Guy LoFontaine will be preparing a Kenyon dish & Clarence R. will set up grills outside for brats. Also beer & wine will be served. Either a free will donation will be collected or a small fee will be charged. Information will be available on the projects in Kenya and there will all be Kenyon music. St Agnes is very organized & Ken L. is working on the promo. Jean, Clarence, Joanne and Peter are working together to put this on.

There may also be collections in July & August for the Moto Mission. In September they are planning a dinner at the Casino and invite the entire community to hopefully raise \$50,000 for the mission. As stated above this will be an ongoing project whether Farther Francis is here or not.

NEW BUSINESS:

Appalachian Mission: Socks & underwear were collected at the event from and will be delivered to the Appalachian Mission. After some discussion we decided to continue to donate \$200 to be earmarked for medical supplies. {M-Bev E. /S-Kris S. /Passed}

Flea Market: Karen P. got a green light from city to have live animals at the flea market. She has given Linda Elmore two spots in the shade for her Alpacas. She would like her to come early and park on the shoulder of the highway in case she needs to take the animals away. Linda stated that they will have a special mat for the urine and that it would seep through and not hurt the grass. Solid waste will be taken away and used for fertilizer.

Condition of Marks parking lot was discussed. Gary Weber got a quote from Young Excavating for \$1200 for scraping, fill and grading. He also talked to Mike's Sand & Gravel for 5 loads of class 5 and a clay combination for the holes. Bill Reigert would do the grading.
