

**Sacred Heart/St. Agnes  
Joint Pastoral Council Minutes  
(St. Agnes Pastoral Council Host)  
March 8, 2010**

(Subject to review and correction until approved)

The meeting was opened by St. Agnes President Guy LaFontaine at 6:05 p.m. Guy mentioned that St. Agnes is considering buying a defibrillator and wondered if Sacred Heart was interested in getting one, also—thinking it would be good to get the same for training purposes, etc. Inasmuch as Sacred Heart has already purchased one, it was agreed that we would get info to him as to brand, purchase price, etc.

**Report from Pete Pederson, Parish Manager:** The Holy Week services are set with Holy Thursday being at Sacred Heart; Good Friday at St. Agnes and Holy Saturday at Sacred Heart. The bus sale has been approved by Father Jim Bissonet. Father Mark to purchase for \$1.00. Pete was contacted by the Pilot Independent regarding participation in their annual Area Church Supplement. It would be \$70.00 per parish. It was agreed to do with the money to come from the bulletin fund. Many have inquired as to a picture of Father Mark to continue our history wall of pastors. The Diocese has sent Pete a picture which he feels can be used and will work on getting it blown up and added to the walls in each parish. Pete ordered one of the Bishop, as well, for each parish. Painting in rectory upstairs is done (Guy has done most of this) and most of the downstairs is done. Now is the time to clean the garages as well. The 4<sup>th</sup> Degree K.C.'s to be at Confirmation. There will be dinner served afterwards. April 25<sup>th</sup> is the date set for First Communion.

Jamie Richter inquired as to our thoughts on the Walker Area Pregnancy Center fundraising dinner slated for April 13<sup>th</sup>. She wondered how the announcement should be made—personal invitations or published in the bulletin or . . .? It was felt that to make an announcement in the bulletin would be the way to go. Jamie will take care of.

**General Miscellaneous:** Some discussion was held on what types of organizations and materials should be allowed in the narthexes of our churches. We feel that we do need to be careful as to any precedent we may be setting. There are leaking roofs at both parishes. We do need to get the Building Grounds Committees going—possibly to meet at least a couple of times a year.

Meeting adjourned at 7:30 p.m.; next meeting: October 4<sup>th</sup> at 6:00 p.m. with Sacred Heart's Parish Council meeting preceding at 5:30 and St. Agnes' meeting to follow.

Respectfully submitted,
