OLD BUSINESS:

1. Phil Casperson's position on the council will not be filled. Fr. Francis stated that a council of 6 persons is ok and we have 8 members.
2. Clarence reported on the roof repair that has been done by Herzog.
3. Verly Rothering's property has been sold. Finance committee meets 8/25/10 to close out on the sale.
4. A financial report for both Parishes will be presented to parishners in Sept.
5. Pete Pederson has been compensated for the work he did while both parishes did not have a priest. His contract as parish manager was renewed for another year.
6. A new youth minister is still being sought.
7. Mary Rudquist has been doing a great job with the cleaning of the church.
8. Sept. 11, 2010 has been agreed on for a Liturgical Mass and potluck or catered meal for all Volunteers for Sacred Heart. Joanne will research more info to determine the best way to handle this, esp. on the number of people who might attend and if catering is the best way to go.
9. Database for both parishes has gone well and is almost complete.
10. Fr. Francis would like the Vocation Prayer placed in the cover of the music books. Volunteers are needed to do this.

11. Discussion was held regarding Faith Formation-speakers, alternating between both parishes. Fr. Francis would like to speak on the Sacraments and try to help people to understand them better.
12. Discussion was also held on the Air Conditioning during flea market time.
13. The grounds and landscaping are done and look great.

NEW BUSINESS:

1. Fr. Francis appointed Clarence as head grounds maintenance keeper as everyone usually calls him anyway about problems.
2. Holly is going to send a great big Thank You letter to Mike & Kathy Bergmann for the help they gave in preparing Verly's property for sale.
3. Discussion about Mass changes. It was suggested by Fr. Francis that maybe 3 masses during the winter with both parishes alternating Saturday mass which would be held @ 4 pm.
4. Next meeting will be the Joint meeting @ Sacred Heart. Both councils will hold their separate meetings starting @ 5:30 pm followed by the joint meeting @ 6:00 pm.

Motioned by Jennie and seconded by Clarence that the meeting be adjourned.
