DRE Report: Father reported things are going well with the youth group program on Wednesday nights. About 20 youth are attending.

Training was completed for the volunteers & teachers. Materials and curriculum have been distributed. Teachers have been assigned talks. We should all be set for the release time programs to begin. First day they will have an introduction, go over rules and expectations and sheets will be sent home for parents to sign. All party's will know what the expectations are for release time.

Safe environment training has been covered for most of the personal. We still have a few people to complete this training before they can help.

Lori is working out good.

Faith Formation: Fr. Zech completed his two classes on New Age.

Fr. Francis will be presenting a series on Sacraments, starting October 27th.

Beginning of December he will focus on Reconciliation and the Sacrament of the Sick.

New Business: Lori Westland was hired with a one year renewable contract. Hopefully she will stay 2-3 years. She is very organized. To increase the stability of the program Fr. Francis will be looking for ways to increase her pay.

Fr. Francis would like the BOE meetings changed to the first Tuesday of the month and the time changed to 4:00 pm. This would be so Lori could attend and report in person to us.

Michelle will send out a notice to see if those days and times will work for everyone.

Then we will set the date for the next meeting after information is collected.

Toni made a motion to adjourn, second by Jeff.
