Meeting was opened with a prayer and the Mission Statement was recited.

Minutes from the last meeting were approved.

DRE REPORT:

Confirmation was completed and Anna filed the appropriate paper work at the dioceses.

The Bread Day Retreat was held on Saturday April 24th where the 1st Communicants received their 1st Reconciliation. First Communion was held Sunday April 25th. Both activities were received well.

Release time classes ended March 3rd. The need of a behavioral agreement for next year was discussed. We need to find the one previously on file and use or make changes to it before classes begin next year.

Summer Activities: D-Week and Camp Survive are offered for the older students. Registration is online only. So far, two students are signed up for Camp Survive.

Totus Tuus will be held in July and Jennifer will oversee the details of this program.

FAITH FORMATION:

Nothing new to report as the team is waiting for Father to get acclimated before planning any more activities.

OLD BUSINESS:

NEW BUSINESS:

Anna Frost tendered her resignation letter effective May 8th, 2010. Anna will put together a binder of basic information and activities that she has worked on this year for the future DRE.

It was suggested that the Parish Council review Anna's extra duties, (Confirmation, All day Release Time and 1st Communion/Reconciliation classes without the aid of Father) in order to consider additional compensation.

NEXT MEETING—WILL BE SCHEDULED AFTER FATHER HAS A CHANCE TO GET SETTLED. WE ALL NEED TO ATTEND TO DECIDE WHERE TO GO NEXT.
