DRE REPORT: Father Francis reported that we need a new youth minister. How are we going to find one? It was suggested that we try to recruit parish members Greg & Gina Smith and/or Rich & Jerry Majcin. Or think of others we could recruit. We want candidates to have a rapport with parents, agree with Catholic teaching, love of their faith, respect tradition, and practice their faith. Father will talk with the suggested candidates for recruiting and get back to the committee.

Totus Tuus is scheduled for July 24-30. Should we continue to move forward? Yes. Pete will get the outline/schedule of events for the week from Jennifer Arnold. This will help us figure out what we need to prepare and how many volunteers we need to help with things such as housing, food, and chaperones. Toni will work with Father and Pete to accommodate the program.

Ideas for the fall program were discussed. Should we have a registration day inviting parents and children to sign-up? Review expectations of children in the classroom and the parent's role in educating their children? Communicating events and expectations for the school year? We had some behavior problems last year and want to address this.

FAITH FORMATION: No report

OLD BUSINESS:

NEW BUSINESS: Fr. Francis discussed the children who left the confirmation classes last year. Many of the students are being taught in Laporte for their Confirmation education. Father wanted to welcome them to come back and have them celebrate Confirmation in their home parish. He would like to work it out somehow. Even if they have or still need to go through preparation, things can be worked out. He is willing to talk to Fr. Dwayne and the Deacon who is currently teaching the classes. Michelle & Roger Nistler will communicate this to the parents of the students in the Laporte class and get back to Fr. Francis. Fr. Francis will be teaching the Confirmation classes.
